The Shetland Arts and Crafts Association would like to welcome you to the 2015 Christmas Craft Fair.

Here you will find a unique range of products all created by producers in Shetland; choose from textiles, cards, woodcraft, leatherwork, paintings, jewellery and much more.

We hope you will enjoy browsing through the diverse collection of products; the show provides you with an ideal opportunity to pick up some unique gifts in plenty of time for Christmas.

The Shetland Arts and Crafts logo is used in the guide to denote full members of the association. These producers must pass a quality assessment by demonstrating that they have an original approach to the design of their product, a thorough understanding of the materials they are using, consideration to the presentation of the product and by maintaining consistent quality of work throughout.

If you would like any more information on the Shetland Arts and Crafts Association, or becoming a member log onto our website, or contact us on the telephone number or e-mail address below.
